The Department of Mathematics seeks applications for several Zorn Research Postdoctoral Fellowships beginning in the Fall of 2020. These are non-tenure track positions with reduced teaching loads and expected 3-year appointments. Outstanding candidates with a recent Ph.D. in any area of pure or applied mathematics are encouraged to apply; a minimum requirement is a Ph.D. in Mathematics. Zorn fellows are paired with mentors with whom they have compatible research interests. The Department maintains strong research groups in all of the principal fields of mathematics. Bloomington is located in the forested hills of southern Indiana and offers a rich variety of musical and cultural attractions.

Applicants should complete the posting at http://indiana.peopleadmin.com/postings/8575 and then submit an AMS cover sheet, curriculum vitae, a research statement, and a teaching statement using the online service provided by the AMS at http://www.mathjobs.org. If unable to do so, you may send application materials to the address below. Applicants should arrange for four letters of recommendation, including one evaluating teaching experience. Please ask reference writers to submit their letters electronically through http://www.mathjobs.org. If they are unable to do so, they may also send their letters to the following address: Zorn Postdoctoral Fellowships Search Committee, Department of Mathematics, Indiana University, 831 East 3rd Street, Rawles Hall, Bloomington, IN 47405-7106. Applications should be received by December 15, 2019.

Indiana University is an equal employment and affirmative action employer and a provider of ADA services. All qualified applicants will receive consideration for employment without regard to age, ethnicity, color, race, religion, sex, sexual orientation, gender identity or expression, genetic information, marital status, national origin, disability status or protected veteran status. Indiana University is responsive to the needs of dual career couples.
