

Alternative Certification Routes

Graduate Degree Holders (continued)

➤ Advanced Degree Pathway

The **Indiana Department of Education** Office of Educator Licensing offers a licensing option to individuals who have an advanced degree. These licenses are available only at the secondary (grades 5-12) level. Candidates should apply directly through the Indiana Department of Education.

Requirements:

- One academic year of experience teaching in a middle school, high school, or college setting
- Completing the appropriate content area testing corresponding to the major of the advanced degree and the secondary pedagogy test (Indiana Praxis, Principles of Learning & Teaching test #5624)
- CPR certification & Suicide prevention training
- The Department of Mathematics at **The College of Arts & Sciences** offers a Math M.A. degree:
Master of Arts (M.A.) degree: <https://math.indiana.edu/graduate/ma-degree.html>
