

Traditional Certification Route:

Undergraduate Students - License Addition

➤ Mathematics (Middle Grades) - Undergraduate License Addition | IU School of Ed

- The Mathematics (Middle Grades) License Addition can be added to an Elementary or Secondary License
- This program is only available to teacher candidates who are in the process of completing an initial license in a recognized Teacher Education Program (a minimum of 32-33 additional credit hours are required)

Requirements:

- A grade of "C" or higher in each education course
- A minimum GPA of 2.5 in the license addition

It may not be possible to complete this license addition as part of the four-year undergraduate degree program. A graduate option is available.
