# What is ALEKS?

ALEKS is a personalized, adaptive learning tool.

ALEKS works to understand *you*

- What you know
- What you don't know
- What you are most ready to learn

ALEKS then creates a personalized learning plan that gets you to the finish line in the most efficient way.

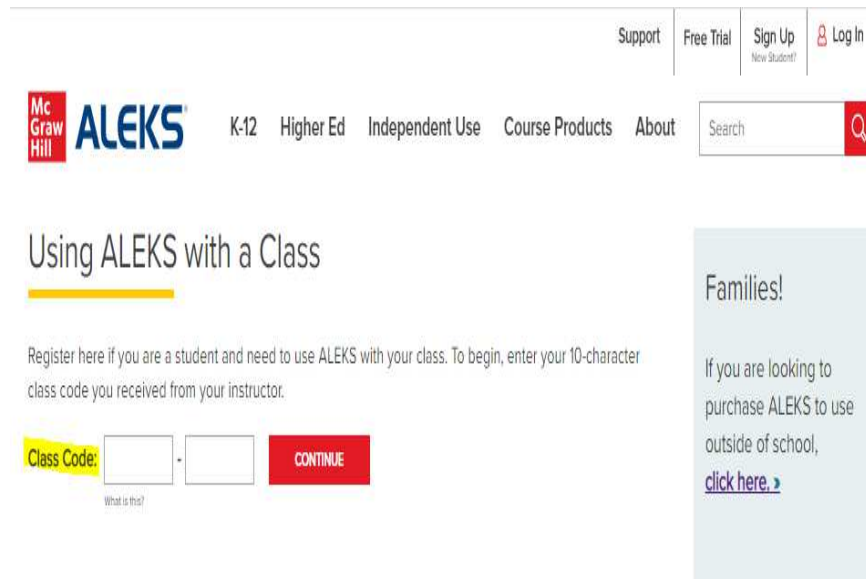

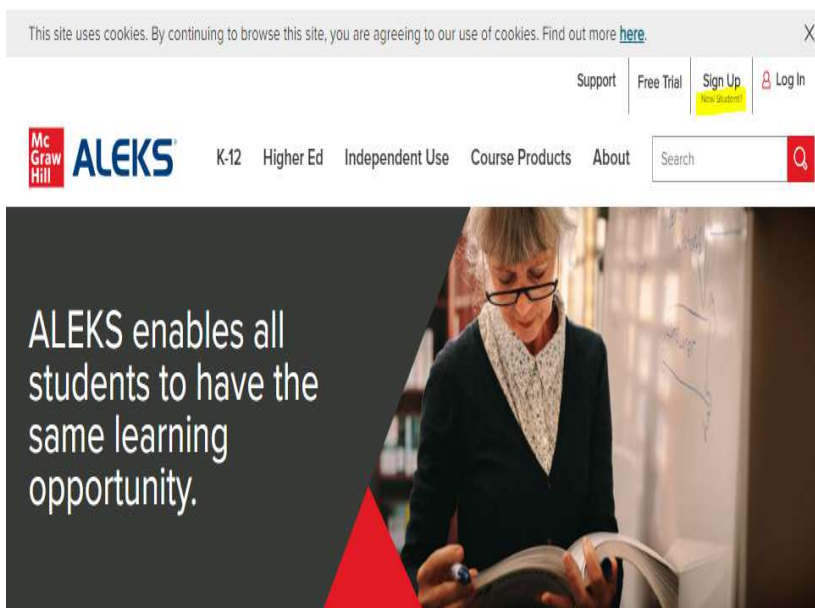

## Step 1

Before you begin you will need the 10-character course code from your instructor.

Go to ALEKS.com and click **Sign Up Now**.

Enter your ten-digit course code **DPERR-QDMU6** and click **Continue** to be taken the ALEKS registration process.

## Step 2

Before continuing, check that you are enrolling in the correct class.  
If all the information is correct click **Confirm**.

The screenshot shows the ALEKS interface for confirming class information. At the top, there is a progress bar with four steps: 1. Confirm Class (highlighted in green), 2. Account Status, 3. Registration, and 4. Apply Access. Below the progress bar, the title "Confirm Class Information" is displayed. A message states: "You are about to be enrolled in the following class. Please check the class details carefully." Below this message is a white box containing the following details:

Class Code:	KJ9TM-AJ9GN
Class:	Math 100
Subject:	Beginning Algebra
Instructor:	Tracy Smith
Class Dates:	06/11/2018 - 10/31/2018
Institution:	Truman College

At the bottom of the form, there are two buttons: "Cancel" and "Confirm".

## Step 3

Select an option.

**Existing user:** Yes, I have an ALEKS login name. Then click **Continue**. You will have the option to reset your password.

**New User:** No, I have never used ALEKS before. Then click **Continue** to create a new account.

The image shows a screenshot of the ALEKS registration interface. At the top, the ALEKS logo is visible. Below it, a progress bar indicates three steps: 1. Account Status (highlighted in green), 2. Registration, and 3. Apply Access. The main heading is "Welcome to ALEKS!". Below this, the question "Have you used ALEKS before?" is displayed. There are two radio button options: "No, I have never used ALEKS before" (which is selected) and "Yes, I have an ALEKS login name". At the bottom of the form, there are two buttons: "Cancel" and "Continue".

## Step 4

To register, enter your first name, last name, email address, and password. We recommend using your school email address when creating an account.

Agree to the terms and then click **Continue**.

You will then see a screen with your username before being taken to the My Classes page in ALEKS.

A screenshot of the ALEKS registration page. At the top, there is a progress bar with three steps: 1. Confirm Class, 2. Account Status, and 3. Registration (which is highlighted). Below the progress bar, the title "Registration" is displayed. A note states "Fields marked with \* are required." The form is divided into three main sections. The first section, "Enter Your Personal Information", contains input fields for "First name", "Middle initial", and "Last name". The second section, "Enter Your Email Address and Student ID", contains input fields for "Email address" (with an example "myname@schoolmell.edu"), "Confirm email", and "Student ID" (with a "Learn more" link). The third section, "Choose a Password", contains input fields for "Password" (with a note "(case sensitive)") and "Verify Password". To the right of the password fields are four checkboxes: "8-31 characters", "No spaces", "1 number", and "1 letter". At the bottom of the form are two buttons: "Previous" and "Continue".

## Step 5

You need to purchase online for access to ALEKS.

**Purchase Online:** Select **No, I need to purchase an access code** to pay with a credit card or PayPal.

6 week access to ALEKS is \$27.00

Click **Continue** to be taken to your My Classes page in ALEKS.

A screenshot of the ALEKS "Apply Access" form. The form has a light blue header with the ALEKS logo. Below the header, the title "Apply Access" is displayed. The question "Do you have an access code?" is followed by two radio button options. The first option, "No, I need to purchase an access code.", is unselected. The second option, "Yes, I have an access code.", is selected. Below the selected option, the "Access Code:" label is followed by four input boxes containing the characters "D56", "7A864", "B1A2C", and "E8760". A question mark icon is located to the right of the last input box. The "E8760" input box is highlighted with a blue border.

## ALEKS Homepage...

To enter your class...click on the name of your course—M211 (Part 2). (Red square)

To change to new class...click Add/Change Class and enter new 10 digit course code. ALEKS will prompt you to carry over time left on your access. (purple circle)

The screenshot displays the 'My Classes' section of the ALEKS homepage. At the top, there's a header with 'My Classes' and tabs for 'Current (26)' and 'Hidden'. Below this, a green banner indicates 'You are now enrolled in prep w book.' The main content area is titled 'Active (2)' and contains two course cards. The first card, 'DC MAT 110', is highlighted with a red square. It shows the instructor, institution, expiration date (11/27/2021), and current progress (10 + 0 %). The second card, 'Gen Chem II (Sem)—Burdge - demo course', shows the instructor, institution, expiration date (07/30/2021), and current progress (47 + 0 %). Both cards have a 'More Details' link. To the right of these cards is a large button labeled 'Add/Change Class', which is circled in purple.
